Hi everyone!

We continue to monitor the virus situation. Your safety is our number one priority. Please continue to be safe and wear your masks. Remember to keep your gatherings outside to less than 10 people. If I know one thing, it is that you are strong and resilient. You have lived through many difficult times and you know how to survive them.

We are actively planning some COVID-safe events and activities for you. Coming up first is our Outdoor Concert Series! We also have an "Italian Ice" day coming up on August 7th. See the details on the following pages. Watch the newsletter and your email for more events and virtual activities coming soon. Hope to see you there!

If you or someone you know are in need, please call **Aging Resources**. They are standing by to support you in this difficult time. Please don't hesitate to reach out.

Aging Resources are delivering free grocery boxes as well as "smile kits" with activities inside. If you would like one, please give them a call or let me know and I'll have them put you on their list. The only criteria is you must be age 60+ living in Douglas County. There is no cost to you.

Message from your Trip Coordinators. . .

Happy August! And here we are again, socializing by Zoom and FaceTime. I'm happy to report that we are enjoying our weekly lunch and/or coffee gatherings at O'Brien Park. Great to see new faces almost every week. And the breezes have been delightful! Remember, if you're interested in joining us, TEXT me at 410-533-8539. We'd love to see you there. To comply with all health and safety preventive measures, we keep each group to 8 or less to allow for adequate distancing. Personally, I have been completing jigsaw puzzles, reading up a storm (thank you for all the donated books!), and keeping up with many Netflix series. I have not ventured out to a restaurant yet, but look forward to that. Be on the lookout for a new member survey that will tell us what all of you have been doing!! I hope to see many of you, in your cars, at our new Senior Center Wednesday evening concerts, beginning July 29. Meanwhile, bus trips for 2021 are in the planning stages! Stay safe and healthy, and send any fun ideas my way!

Sherri Anderson 410-533-8539

Greetings All, Hasn't this summer been simply unbearable! I miss seeing you all and going on trips. Sherri and I had some wonderful outings planned. I am writing from my "Puerta Backyardo", enjoying a margarita where the weather is sunny and hot. As the PSC remains closed through the summer months, I hope you all are well and COVID free. Are any of you interested in a weekly get-together for coffee on Tuesday mornings under the canopy at the Center? I am planning a "Coffee Clutch" for 9:00 am on Tuesdays on August 4, 11, 18, and 25. We will meet under the canopy. Bring your coffee and mug. I will supply some treats. Seating is limited so please call or text me with the dates in August you would like to join us. Please do not call the Center. Stay a little longer on Tuesdays and pick-up lunch from Joe, starting at 11:30. Hope to see you for coffee so we can catch up on any news.
